Jo-Anne Cox, Elizabeth Towers : 1,000 Classic Recipes From Around the World before purchasing it in order to gauge whether or not it would be worth my time, and all praised 1,000 Classic Recipes From Around the World:

6 of 6 people found the following review helpful. The only cookbook you'll ever need...By C Green I love this cookbook and have recommended it to all my friends. The recipes are easy to prepare and include full-color photos. I have fun picking different recipes to try and with 1000 available to me, I'll never run out! I have had excellent feedback on the dishes I have tried from this book. My family especially enjoys the Mediterranean Chicken, which also received rave reviews when served at a dinner with friends. We've tried lemon chicken, orange chicken, sweet mango chicken and a variety of vegetable dishes. Each one has been delicious. Needless to say, this is my favorite cookbook of all time! 1 of 1 people found the following review helpful. BEST RECIPE BOOKS for starter and every day use By Utane I got the 2001 edition from COSTCO at a very good price and it is truly the best book I have so far. I have collected over 50 recipe books and many are disappointment. What so great about this book? 1) The outline of ingredients, time taken, nutritional value, Tips, pictures and servings are clear, simple and easy to follow. Each recipe

fits in one page.2) The recipes WORKS and even make it simpler. I have cooked some of these dishes with other recipes but this book make it easier. Haven't you got many recipes that have great pictures and the result does not work? This one does, and it is the most important thing about a recipe.3) Pictures are terrific, you see how it should look like and the process.The only down size is it is very big but you got more recipes to work with. Your young teen children can even start with this book.ENJOY!0 of 0 people found the following review helpful. Great book! Worth getting!By OtisI'm JUST learning how to cook. Extreme beginner here. I started with another book making curries first, getting use to measuring things out, prepping the food before heating the stove, etc.. Made a bunch of beginner mistakes, but I learned!I started out making the meals that take

Experience a feast of enticing tastes and cultures!
