Career Press : 101 Great Resumes before purchasing it in order to gauge whether or not it would be worth my time, and all praised 101 Great Resumes:

1 of 2 people found the following review helpful. It's great Book BUT??By Maged Azazy I think this is great book and helpful to write good resume, but not covered the most important part which the resume covering letter, and I think most of the time the resume covering letter more harder than to write your experiences and your details,,8 of 16 people found the following review helpful. Excellent resource for the price.By A Customer Clear introduction with very good instructions on how to build a resume. Excellent examples of resumes.

This collection of 101 Great Resumes was specifically selected to appeal to the widest audience possible by covering the greatest range of formats, personal situations and careers. With over 100 sample resumes, users will get a solid foundation in resume writing, feel confident in creating their own resume style and learn to apply their work experience specific to the job they seek.
