Michigan Organic Food and Farm Alliance : 2016 Farm Guide: A Guide to Michigan's Organic and Ecologically Sustainable Growers and Farms before purchasing it in order to gage whether or not it would be worth my time, and all praised 2016 Farm Guide: A Guide to Michigan's Organic and Ecologically Sustainable Growers and Farms:

Guide to Michigan's Organic and Ecologically Sustainable Growers and Farms from the Michigan Organic Food and Farm Alliance. This year's guide includes 141 listings of farms. Of those, 94 are USDA Certified Organic, and the remainder have signed our "Farmer's Pledge" which states that they follow organic and ecologically sustainable methods of production. Listing in the guide is free.
