**John Scott : A Dictionary of Sociology (Oxford Quick Reference)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Dictionary of Sociology (Oxford Quick Reference):

0 of 0 people found the following review helpful. I like how many pages of info it carriesBy Kevin Eli RiveraI like how many pages of info it carries, it will help for all sociology professions, even social work. Definite help on Sociology majors.0 of 0 people found the following review helpful. Useful Sociology DictionaryBy Yvette PerezUsed this dictionary for my Sociology classes. Wonderful, and Useful!0 of 0 people found the following review helpful.

Five StarsBy LousydirectionscausetechphobiaOutstanding reference book.

A consistent best-seller, the wide-ranging and authoritative Dictionary of Sociology was first published in 1994 and contains more than 2,500 entries on the terminology, methods, concepts, and thinkers in the field, as well as from the related fields of psychology, economics, anthropology, philosophy, and political science. For this fourth edition, Professor John Scott has conducted a thorough review of all entries to ensure that they are concise, focused, and up to date. Revisions reflect current intellectual debates and social conditions, particularly in relation to global and multi-cultural issues. New entries cover relevant contemporary concepts, such as climate change, social media, terrorism, and intersectionality, as well as key living sociologists. This Dictionary is both an invaluable introduction to sociology for beginners, and an essential source of reference for more advanced students and teachers.

"Readers and especially beginning readers of sociology can scarcely do better than turn to this dictionary. There is no better single-volume compilation for an up-to-date, readable and authoritative source of definitions, summaries and references in contemporary sociology" --A. H. Halsey  
About the Author  
John Scott is Honorary Professor at the University of Copenhagen. He was formerly Professor in Sociology and Pro Vice-Chancellor at the University of Plymouth and Professor of Sociology at the University of Essex, and is a former President of the British Sociological Association. He has published over 10 books on many aspects of sociology, and is a member of the board of 3 different sociology journals.
