E. Victor Bigelow : A Narrative History of the Town of Cohasset, Massachusetts (Classic Reprint) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Narrative History of the Town of Cohasset, Massachusetts (Classic Reprint):

Excerpt from A Narrative History of the Town of Cohasset, Massachusetts
The hand of an alien might well hesitate to record the private affairs of a conservative New England town, but it is hoped that a Spirit of fairness and his admiration for the town may be relied upon to make up his deficiency in blood connection. Coming to this picturesque Village from the outside world, it has been the writer's fortune to be received into the inside confidence of many hearts. It' has been a labor of love to learn from those who have had the experience of living some of the deep facts of life, and to narrate some of the circumstances Of former lives in this community.
