Minute Help Guides : A Newbies Guide to Kindle Paperwhite before purchasing it in order to gage whether or not it would be worth my time, and all praised A Newbies Guide to Kindle Paperwhite:

0 of 0 people found the following review helpful. Wish I had this book when I bought the Kindle ...By Llittle DoveWish I had this book when I bought the Kindle for it would have saved me a lot of frustration. Anyway, I have it and it has helped me learn how to use my Kindle PaperWhite in a smoother fashion.2 of 2 people found the following review helpful. Good information bookBy JustynWhat I like about this book is that it has this free program called calibre. It's an open source e-book management tool that can convert e-books not protected by DRM to various

formats. The book also has some interesting stuff about the Kindle Paperwhite. Like how to set up a Kindle Paperwhite and Register it to your Account. 1 of 1 people found the following review helpful. InadequateBy Herbert W. Fawcettthere are better sources of the information I sought. This glosses over needed functions, explores unusual but unnecessary stuff and i was no better off for having read it. The Dummies book is way better than any of these guides.

When e-commerce powerhouse Amazon.com first opened for business way back in 1995, few couldve predicted the companys eventual impact on the book-reading world. Sure, they were calling themselves The Worlds Largest Bookstore by the late 90s, but it wasnt until just a few years later that the revolution really began. This revolution, still going on today, has a catchy name: Kindle. Over the following pages, well help you get started with your new Kindle Paperwhite. While its an easy device to operate, it might get a little confusing for the uninitiated. Well also show you some tips and tricks for getting the most out of your Kindle, and show you where to find all the free and low-cost books you can handle. Ready? Lets get started!
