If your wish is to translate any ancient written works in Sanskrit to English, this is the book to obtain. Thanks, so much to the author for the time and patience in doing this master work; and to the seller for wonderful condition that the books was in. I was worth 5 times the price I paid for it. This review is long over due. It was over a year ago that I purchased it and I was pleased to have received it soon after the purchase faster then I had expected its delivery. Thanks so much for this precious book.
