Andromeda / Jill Bailey : A-Z - Snakes before purchasing it in order to gage whether or not it would be worth my time, and all praised A-Z - Snakes:

0 of 0 people found the following review helpful. Disappointing.By A CustomerThis book is very expensive for what it is - basically a picture book without much real information.

A comprehensive collection of slithering critters that's sure to please any kid. Everything from anacondas to zonatas!
