Brandon Royal : Ace the GMAT: Master the GMAT in 40 Days before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ace the GMAT: Master the GMAT in 40 Days:

ACE THE GMAT is based on a simple but powerful observation: Test-takers who score high on the GMAT exam do so primarily by understanding how to solve a finite number of the most important, recurring problems that appear on the GMAT. What are these important, recurring problems? The answer to this question is the basis of this book. This manual provides in-depth analysis of over 200 all-star problems that are key to mastering the seven major GMAT problem types including Problem Solving, Data Sufficiency, Sentence Correction, Critical Reasoning, Reading Comprehension, Analytical Writing, and Integrated Reasoning. Apart from providing readers with answers and full explanations, a special feature of this book is that each problem is categorized by type ("classification"), rated by

difficulty level ("chili rating"), and supplemented with a problem-solving strategy ("snapshot").
