**Marilyn Scott : Acrylic Artist's Bible (Artist's Bibles)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Acrylic Artist's Bible (Artist's Bibles):

This hardcover book with internal wire-o binding is 6.5in x 8in, a perfect size for artists to keep handy and reference often. The stylish design of this book, along with the interior photographs, illustrations and diagrams, make the learning process simple and fun for beginners, and provides useful tips for more advanced readers. With its great flexibility, acrylic paint can mimic the appearance of oils, tempera, and watercolors in unique ways, each method

pictured in a separate step-by-step demonstration. The author also examines the use of acrylics with airbrush, sculptural, and printing techniques-even three-dimensional relief painting and collagraphy printing methods are included-and how several of these different creative processes can be integrated successfully in one composition with ink, pencil, charcoal, and pastel. Inspiring examples of representational and abstract subjects are depicted throughout, and a complete survey of all the latest acrylic materials covers the best paint brands, painting mediums, supports, varnishes, brushes, knives, and palettes. This book contains instructions on painting many different subjects, like landscapes, trees, mountains, buildings, still lifes, and portraits. It makes an ideal gift for someone practiced in the arts of acrylic painting, and newcomers to the art form.
