Excellent Maps! Try the guide books too! High peaks guide book is the most helpful however..take the others w a grain of salt and sift through the material..the author will use the words "attractive" to describe a forest. And "very nice" for a bridge..when in fact he could have just said forest..and bridge...lol..they're selling you!

Waterproof Tear-Resistant Travel Map
The Adirondack Map Pack Bundle combines five of our Trails Illustrated maps for New York's Adirondack Park in one value priced bundle. The Adirondack maps were produced in cooperation with the Adirondack Mountain Club (ADK) and include up-to-date trails, mileage charts, use designations and important recreational points of interest (like campgrounds and shelters). Each Adirondack map has been designed to work directly with the Adirondack Mountain Club guide books.
