KessingerI bought the student book for my daughter whom I homeschool. This is a great basic book, and it helps me to help her, especially with understanding her piano lessons. The book is worth the price for a three-in-one.0 of 0 people found the following review helpful. Five StarsBy Rick WillettExcellent music theory text

Alfred's Essentials of Music Theory is designed for students of any age, whether listeners or performers, who want to have a better understanding of the language of music. In this all-in-one theory course, you will learn the essentials of music through concise lessons, practice your music reading and writing skills in the exercises, improve your listening skills with the available ear-training CDs (included with this item), and test your knowledge with a review that completes each unit. The Teacher's Answer Key is a spiral-bound book that includes answers for the Lesson and Review pages as well as music for the Ear-Training pages in Volumes 1-3 of the Student Books. The complete line of Alfred's Essentials of Music Theory includes Student Books, a Teacher's Answer Key, Ear-Training CDs, Double Bingo games, Flash Cards, Reproducible Teacher's Activity Kits, and interactive software for students and teachers in private study, studio and network environments.
