How many years has it been since your last diction class? This handy guidebook is an easy reference for the symbols used in IPA: what they look like and how they are pronounced. Example words for every symbol are included in

English, Latin, Italian, German, French, and Spanish. And an online resource includes recorded demonstrations of every sound. A clear and concise tool for singing in foreign languages, equally useful in the choir room and the vocal studio. Dimensions are 5.25" x 7.5".
