Helen Kalkstein Fragiadakis : All Clear 2: Listening and Speaking, 3rd Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised All Clear 2: Listening and Speaking, 3rd Edition:

1 of 1 people found the following review helpful. I use this all the time as well as book 3By CustomerI know this is a top rating to give this book, but I have grown to love this series more and more the more I use it. At first glance the idioms appear to be a bit mundane, but I find most of my students, who tend to be very well educated professionals benefit so much from the content and the exercises in the book and its examples. The grammar points give us a starting point to discover weaknesses in prepositions and verb tenses: the variation in the use of the highlighted idioms keeps them engaged. I've had wonderful creative dialogues come out of their minds using the suggested scenarios or ones of their own making, or from the discussion questions. Overall it really is fun. I especially love the error finding exercise to help work on improving their self editing skills and writing.The only negative is that the price seems to keep going up.0 of 0 people found the following review helpful. Five StarsBy Pablo AndresBuen libro0 of 0 people found the following review helpful. Two StarsBy Customertoo expensive for product

All Clear teaches students to recognize and produce the high-frequency idioms, phrases, and contemporary expressions needed in a range of conversational situations. Each lesson focuses initially on chunks of language in the form of idioms and other expressions (collocations) and then provides many structured and communicative activities for speaking, listening, grammar, writing, pronunciation, and public speaking practice.

About the Author For many years, Helen Kalkstein Fragiadakis jotted down high frequency expressions and idioms, and taped them to her fridge. As these slips of paper grew and grew, Helen arranged them into meaningful clusters, which became the basis for All Clear!
