Vladimir Bogdanov, Chris Woodstra, Stephen Thomas Erlewine : All Music Guide to Jazz : The Definitive Guide to Jazz Music before purchasing it in order to gage whether or not it would be worth my time, and all praised All Music Guide to Jazz : The Definitive Guide to Jazz Music:

4 of 4 people found the following review helpful. Despite its multifarious mistakes, it has the merit of existingBy Ronald KenyonConsidering only the thousands of mistakes in this book, it would merit one star, and that's being generous. On the other hand, there is nothing that is printed on paper with ink that is more comprehensive than this guide, which is what I always consult first which researching a musician. That that's why I give it five stars. Let's say, the good totally overwhelms the bad: what do you expect in 1,400 pages! Of course, the content is becoming somewhat dated as time goes on, but there is an All Music website with more recent information.A superb reference is he French-language Dictionnaire du jazz, edited by Philippe Carles, Andr Clergeat and Jean-Louis Comolli. Originally issued in 1991, a revised and updated version was released in 2011.0 of 0 people found the following review helpful.

Great Encyclopedia of JazzBy john orcopoulosGreat Encyclopedia of Jazz , good printing0 of 0 people found the following review helpful. Great resourceBy puristeOne of the best, I even prefer it to the Penguin Guide (the 9th version is too expensive to get even used so the AMG is actually more up-to-date than my 8th Penguin Guide edition). Still, I'd have preferred to buy the yet non existing 4th edition.

(Book). Reviews and rates more than 20,000 sizzling recordings by over 1,700 musicians from New Orleans jazz to bebop, fusion and beyond. "Music Maps" chart the evolution of jazz instruments, plus the influence of significant players, vocalists and sidemen.

About the AuthorFounded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.
