Lorraine L. Ukens : All Together Now!: A Seriously Fun Collection of Interactive Training Games and Activities before purchasing it in order to gage whether or not it would be worth my time, and all praised All Together Now!: A Seriously Fun Collection of Interactive Training Games and Activities:

0 of 0 people found the following review helpful. Good for planning group interactions w/ adults By Mrs. UGA This book is a helpful book. However, I bought it for youth ministry and while it's useful, it's more directed towards adult

groups, interactions. If you need to plan something for an adult meeting or business group, this book will give you endless ideas for icebreakers or mingling suggestions, games. 5 of 5 people found the following review helpful. Powerful Ideas By Peter Dixon I've just purchased this book and am really impressed. Good to see so many quick yet powerful exercises in one book. Most of them I haven't seen before and that is refreshing. I am always on the look out for creative experiential resources and this book certainly fits the need. 3 of 3 people found the following review helpful. Very creative ! By Head of Marketing Some activities were completely new to me, and some were games I have know forever -- but with a tickling twist! Although some results are difficult to analyze accurately without a Master in Psychology, the exercises allow players to learn something about themselves. Good buy.

How do you get your participants involved and then hold on to their attention? Lorraine Ukens--a highly regarded author of activity resources -- offers sixty innovative, enjoyable, and effective activities designed to make learning unforgettable. Use these training tools to teach valuable lessons in: Change Communication Conflict management Decision-making Diversity Goal setting Leadership Negotiation Planning Problem solving Team dynamics . . . and more! All the necessary forms and handouts are here, and they are reproducible to facilitate ease of use. Make training experiences interactive--and make learning memorable -- with the help of this must-have treasury of games!

About the Author LORRAINE L. UKENS is the owner of Team-ing with Success, an organization specializing in team building and leadership development. Her wide range of business experience, spanning more than twenty years, is applied in designing, facilitating, and evaluating programs in a variety of training areas. In 1993, Loraine developed a comprehensive three-phase training program, also called TEAM-ING WITH SUCCESS, which was designed to help build and maintain high-performing teams. Since then, additional games and activities have been developed that use hands-on learning experiences to promote constructive group dynamics. Loraine received her M.S. degree in human resource development from Towson State University in Maryland. A writer and consultant, she is an active member of the American School for Training and Development.
