The hardware is fine but beware of charges put on your account without ...By Millard FilmoreThe hardware is fine but beware of charges put on your account without even bothering to ask if you mind. We (my wife and I) already had an Prime account (which is needed for some reason) but somehow, in the confusion up signing up for services, etc, started yet another prime account without warning. So, we now have two when one would do and promise to do something about it have just seeped away.Other than the problem with multiple \$100 accounts, everything else looks fine and up to 's usual high standards.0 of 0 people found the following review helpful. What?By Jack11615Ungrammatical gibberish! The author is seemingly not a fully competent English speaker, and the text has obviously not been proofread. This book can't be recommended at all - so that users of Fire TV are still without an adequate manual. Luckily many questions can be researched online, but why should that be necessary?0 of 0 people found the following review helpful. NOT MUCH...By John GrathwolThis book did not have anything new to say, and no real tips. It desperately needs an editor for all the grammar errors and missing words.

Amazon Fire TV User Guide Watch TV Shows, Movies, Music, Apps, Games And Learn 7 Amazing Things About Amazon Fire TV! Do you own a Fire TV, but have no idea how to use it? Often, many people will get this device and want to really get the most out of it, but they have no idea how to configure the device or anything. Also, there are many kept secrets about this as well. This book will go over some of the best tips and tricks for the Amazon Fire TV, along with a user guide to setting up and some cool elements to this. By the end of this, youll be able to really use your Fire TV and get the most out of it in ways you had never expected to before.
