(Prime Music, Prime Video, Prime Photos) before purchasing it in order to gage whether or not it would be worth my time, and all praised Amazon Prime: The Ultimate User Guide To Get The

Most Out Of Amazon Prime Membership Plus Little-Known Tips And Tricks! (Prime Music, Prime Video, Prime Photos):

1 of 1 people found the following review helpful. Good get-started aid for people who like to have suggestions notes
By RHD, Auburn
It is good for suggestions on what to look up at web site, and scribble in the margins for quick off-line reminders. If you are very comfortable rambling through web pages for information, then there's nothing in it that you cannot find on site.
1 of 1 people found the following review helpful. and ultimately offers up a good argument for purchasing Prime
By B. Poulsen
The price was the reason I 'purchased' this e-book. It's a short book; has several typos/misspellings, and ultimately offers up a good argument for purchasing Prime. Don't expect this to be a "how to" book. If you are on the fence on whether or not to purchase Prime, as I was, this e-book is worth a read.
0 of 0 people found the following review helpful. Helpful book!
By Customer
My husband and I have had an Prime account for a couple of years. We've been meaning to figure out what all the benefits are. We love the free shipping and streaming. Now we have a better understanding of all the perks. This book was very helpful. Thanks :)

Amazon Prime The Ultimate User Guide To Get The Most Out Of Amazon Prime Membership Plus Little-Known Tips And Tricks!
Amazon is the worlds largest online marketplace. On Amazon you are able to find anything and everything you are looing for. Many people have made it their go to resource for both products as well as services. Many people have been taking advantage of many of Amazons programs such as KDP select, Amazon Merch and even Amazon Prime. With Amazon Prime you are getting inside deals, free and one day shipping, access to programs that will take away your monthly Netflix, Hulu and other subscriptions services and much more. This is an amazing program and I cant wait to tell you about it. In this book we will talk about the Amazon Prime program. I will explain exactly what it is, why you want it and some tips and tricks you may not have known. At the end of this book you will have know if Amazon Prime is for you or not. I will even tell you how you can get it free for 30 days. So if you are on the fence about Amazon Prime read this book, get the answers and start using it today.
