It seems like when a society goes far off the grid and becomes ungovernable; that is when a Dictator like Hussain does the best job and it isn't a pleasant thing, but we must have a order in our midst too survive as a Nation.0 of 0 people found the following review helpful. ... what I was looking for but it has some good information inBy Mary Ann Chatmannot what I was looking for but it has some good information in it0 of 0 people found the following review helpful.
