Jim Roberts : American Basses: An Illustrated History and Player's Guide to the Bass Guitar before purchasing it in order to gage whether or not it would be worth my time, and all praised American Basses: An Illustrated History and Player's Guide to the Bass Guitar:

0 of 0 people found the following review helpful. A welcome addition to your collection of bass reference booksBy GEOThis book covers a large range of brands/makers exclusively made in America. Very informative in general but there are a couple of balls dropped - no pics or mention of the Fender Performer bass (1985-6), no pics of the original Gibson Thunderbird ('63-'65) or it's non-reverse version ('66-'68) to name a couple. Otherwise many informative essays on makers and insights into many aspects of what goes into a bass. Definitely a useful source of (mostly)

electric basses for your collection.0 of 0 people found the following review helpful. just fine!By Michael StevensOn time , just fine ! MS0 of 0 people found the following review helpful. Four StarsBy KCRedeyeGood book.....quite informative.

(Book). The first comprehensive book on American-made electric and acoustic bass guitars, *American Basses* offers a wealth of well-researched information about all of the important builders, from one-man shops to the biggest manufacturers. Hundreds of full-color photos illustrate the wide range of instruments available, and special insider essays take you step by step through the bassmaking process, from concept and design to final setup. Includes how-to tips from top builders and designers on topics such as: neck and bridge setup; active vs. passive pickups; bolt-on vs. neck-through design; tonewood characteristics; defeating hum and buzz; string angle and tone; and more. "What a book! I feel much closer to my bass guitar after having read *American Basses* ." Will Lee, Bass Player for The Late Show with David Letterman

About the AuthorJim Roberts, author of *How the Fender Bass Changed the World*, and founding editor of *Bass Player* magazine, lives in Ithaca, NY, and has been playing bass since 1970.
