From imusti : American-English, English-American: A Two-way Glossary of Words in Daily Use on Both Sides of the Atlantic before purchasing it in order to gage whether or not it would be worth my time, and all praised American-English, English-American: A Two-way Glossary of Words in Daily Use on Both Sides of the Atlantic:

0 of 0 people found the following review helpful. Not what I expected.By CustomerI was hoping to translate their naughty words like bullocks. I already know that an elevator is called a lift.0 of 1 people found the following review helpful. Needs to be updatedBy AlvaroIts content is exactly the same as the 1974 impression (1st.edition), not even one word has been renewed or changed1 of 1 people found the following review helpful. Red-white-and blueBy Veronika KardoshG. B. Shaw said the English and Americans were two peoples separated by a common language. This wonderful tiny dictionary proves he was right.An excellent collection of definitions from both sides of "The Pond."You don't have to be a teacher or a linguist to appreciate this amusing and helpful book but if one of those is your profession, this is a truly useful addition to have in your office.

The words in this glossary have been selected because of the confusion or misinterpretation they can cause on one or the other side of the Atlantic. Primarily this book is for the visitor to Britain or America.
