Doug Gelbert : American Revolutionary War Sites, Memorials, Museums and Library Collections: A State-by-State Guidebook to Places Open to the Public before purchasing it in order to gage whether or not it would be worth my time, and all praised American Revolutionary War Sites, Memorials, Museums and Library Collections: A

State-by-State Guidebook to Places Open to the Public:

0 of 0 people found the following review helpful. Not an Updated Version of the original book; Is Probably Outdated
By A Cook I am glad this is out in paperback. However, the listing is deceptive. This is a reprint of the hardcover, copyrighted 1998 (I think), which I already have. It is NOT an updated revision. This is not a book compiled and written in the recent past. For that reason, I suspect much of the information is probably very outdated given that it was compiled almost 20 years ago.
3 of 3 people found the following review helpful. Reference and Outstanding Travel Guide
By Dr. Brad Eisenbrey Doug Gelbert has written a "must have/must use" comprehensive guide to the historic sites of the American Revolution in North America. We have used this book to plan and execute two Revolutionary War road trips and will use it for our next trip to the southern battlefields of the American Revolution. Serious students of American history will always be in Mr. Gelbert's debt for the amount of information he has crammed into this book. When combined with good maps (and GPS) and access to the internet to check on site availability (effect of state budget crises), this book is an amazing resource.
2 of 2 people found the following review helpful. what a volume of work!
By A Customer I can't believe the amount of work that must have gone into putting this book together! As useful as it is entertaining...

Up-to-date information on over 700 sites in 28 states dedicated to the American Revolution, including battlefields, memorial markers, statues, museums, cemeteries, other landmarks, and library collections. Arranged by state, each entry provides a descriptive profile, address and telephone number, admission fees (if any) and policies, hours open, and other pertinent information. For each state, there is a profile of its role and a timeline of events.

"Informative...extensive set of sites...good"
"charming informative anecdotes...extensive set of sites (approximately eight hundred)...a good introduction to persons, places, and actions of the Revolutionary period"--Reference User Services Quarterly; "very useful"--Reference s; "handy...entertaining...added value"--The Journal of America's Military Past; "useful"--Rettig on Reference.
