

of 0 people found the following review helpful. I learned words I never heard before
By Robert H. Sterling
Passive Alert Detection Dog Training
I am always interested in ways to enhance your ability to communicate and America's Slang provides the opportunity to do just that. If you are interested in writing, speaking or improving your communication skills this book may be just what you need, I highly recommend that you add it to your communications resources.

By Hazel
Had hoped this would be more like the great TV show that gave more of the origin of the expressions. Some of these like "the whole 9 yards" were not wat we had heard before

With 1,500 new words and phrases, this abridged edition of the Dictionary of American Slang is the most buzzworthy, banging collection of colloquial American English
no joke
This fully updated and abridged fourth edition of American Slang contains more than 1,500 new terms representing the variety and vigor of American slang, from "yada yada yada" to "yo mamma." There's no better resource for those who are curious about language, fascinated by counterculture, or just completely confused when other people talk.
Like previous editions, this edition features pronunciation guides, word origins, examples of appropriate usage as well as a helpful highlighting system that lets you know which terms should be used with caution, and never in polite company. Both an important archive of the way America is really talking and a lot of fun to read, American Slang will prove to be an invaluable companion in keeping up with the dauntingly jargon-filled, quickly evolving language of today.

About the Author
Barbara Ann Kipfer, Ph.D., is a lexicographer who has authored or compiled more than forty books, including the Dictionary of American Slang (with Robert L. Chapman), The Order of Things, Writer's Digest Flip Dictionary, and the bestselling 14,000 Things to Be Happy About. She received her doctorate in linguistics from England's University of Exeter.
Dr. Robert L. Chapman, the founding editor of the Dictionary of American Slang, was a professor of English at Drew University.
