Emma Carlson Berne : Amphibians (My First Animal Kingdom Encyclopedias) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Amphibians (My First Animal Kingdom Encyclopedias):

Shine the science spotlight on frogs, toads, newts, salamanders, and caecilians! Organized by reference topics such as habitat, anatomy, and diet, Amphibians introduces young readers and browsers to these water-dependent animals through vibrant full-color photos and concise, factual text.

About the Author Emma Carlson Berne has written numerous historical and biographical books for children and young adults, as well as young adult fiction. She lives in Cincinnati with her husband and two sons.
