Robert L. Gale : An Edwin Arlington Robinson Encyclopedia before purchasing it in order to gage whether or not it would be worth my time, and all praised An Edwin Arlington Robinson Encyclopedia:

Edwin Arlington Robinson (1869-1935) was hailed by many in his day as Americas foremost poet, outranking T.S. Eliot, Robert Frost, and Ezra Pound. Perhaps best known for his sonnets, he startles readers into attention and response through deliberate obscurity and ambiguity and demanding syntax. Many of Robinsons works continue to be published today, introducing him to new generations of readers. This comprehensive encyclopedia provides information on

Robinsons poemshe published more than 200and also his less well-known prose works, along with entries on his family, friends, and professional associates. For entries on his writings, the year published, summaries of the works, background information, and critical commentary illuminating enigmatic passages are provided. For people, the entries provide biographical information and describe the influence the person had on Robinsons life.

"comprehensive...valuable reference"--ARBA.About the AuthorFollowing a 40-year teaching career, Robert L. Gale is professor emeritus at the University of Pittsburgh. The author of numerous books, he lives in Pittsburgh, Pennsylvania.
