**Charlton T. Lewis : An Elementary Latin Dictionary (Latin Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised An Elementary Latin Dictionary (Latin Edition):

2013 Reprint of 1915 Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. In 1890 Charlton T. Lewis published a heavily abridged version of Lewis and Short's "A Latin Dictionary:

Founded on Andrews' Edition of Freund's Latin Dictionary" entitled "An Elementary Latin Dictionary." Sometimes called the "Elementary Lewis," it is still in print today, and remains a useful reference for students. It remains a standard reference work for medievalists, renaissance specialists, and early modernists, as the dictionary covers Late and Medieval Latin, if somewhat inconsistently.
