Emily Reigate : An Illustrated Guide to Lace before purchasing it in order to gage whether or not it would be worth my time, and all praised An Illustrated Guide to Lace:

1 of 1 people found the following review helpful. This was a great book on laceBy PamThis was a great book on lace. I ordered it because I was taking a Textile Class and it really was helpful to me.2 of 2 people found the following review helpful. Ultimate Lace Design HistoryBy Kindle CustomerLove this informative text book on lace. The pictures made it great!

This is lavishly illustrated throughout with examples of lace from all manufacturing centres and all ages. It is believed to be the best illustrated book on the subject ever published while the text has been limited to facts.
