The graphics are colorful and just awesome for studying. It really helps with my school work. It has every system and talks about common diseases and disorders for the systems. It's really a great book to have on hand. 0 of 0 people found the following review helpful. Good Addition By Holli L. Magill Wasn't as in depth as I was led to believe, but very well made. I keep them in my office to help educate my clients.

Beautifully bound.0 of 0 people found the following review helpful. Amazing book,the detail is fantastic THANKS for the speedy shipping!By Julia CrabtreeThis book was recommended by the International Institute of Reflexology and it is amazing for locating any point in the human body.
