Janine Amos, Andrew Solway : Animals And Nature : Our Planet and the Animals that Live Here (Scholastic First Encyclopedia) before purchasing it in order to gage whether or not it would be worth my time, and all praised Animals And Nature : Our Planet and the Animals that Live Here (Scholastic First Encyclopedia):

0 of 0 people found the following review helpful. great book By cali mom This is a great book for children to write non-fiction reports with. The info is simple and full of good details and great pictures.

This easy-to-use guide introduces beginning readers to different types of animals, plants, biomes, landforms, astral

bodies, and weather.
