George M. Gould, Walter L. Pyle : Anomalies and Curiosities of Medicine before purchasing it in order to gage whether or not it would be worth my time, and all praised Anomalies and Curiosities of Medicine:

0 of 0 people found the following review helpful. This is book I purchased back in the 80's. ...By chubbsThis is book I purchased back in the 80's . Some how I misplaced it, this book gives insight into the many afflictions that now can be cured. back when this book was published the medical practice was morbid very scary.2 of 2 people found the following review helpful. This book is interesting but I have the hardcover edition ...By CustomerThis book is interesting but I have the hardcover edition and if you are an adult and you want the full book with the drawings/pictures that shows the medical anomalies don't bother with the Kindle edition because the picture/drawing plates that are throughout one of the hardcover editions are non-existent in the Kindle edition which is a shame.

Anomalies and Curiosities of Medicine: Being an encyclopedic collection of rare and extraordinary cases, and of the most striking instances of abnormality in all branches of medicine and surgery, derived from an exhaustive research of medical literature from its origin to the present day, abstracted, classified, annotated, and indexed. Illustrated with bw photos and line drawings.
