found the following review helpful. greatBy SandraReceived in great condition and very helpful. I got more
information than I needed. Amazing how much old stuff if valued at

Over 1,600 full color photos not presented in books one and two. Includes a descriptive condition grading scale, values, sizes, companies, and makers and information for finding antique tins. Grouped according to the product which they originally contained or for which they were designed. 1999 values. AUTHORBIO: Fred Dodge has traveled abroad in his years of antique tin collecting. After countless hours of research and input from dealers, collectors, and tin owners, he authored a popular three-volume series, Antique Tins. REVIEW: Within this book readers will find tins from talented artists who have captured hundreds of colorful eye-catching graphics, many of which commemorate special historic events ranging from politics and sports, to famous people and places. Hundreds of tins are featured in full color.
