Excellent Creole Recipes!By MMEscarole sauce, Roquefort Salad dressing, and double fried potatoes fit for a french king! this is a very rare and interesting glimpse into one of New Orleans iconic restaurants. You won't find this in the health food section anywhere, but the history and flavors are well worth the purchase for any adventurous cooks! Highly

One secret to good food is simplicity, so that you can taste the food you are cooking. The key to good simple food is freshness. This is what you will find in Antoine's Cookbook, good, fresh food cooked simply, so that you can taste what you are eating. Buy fresh ingredients, follow the recipes and you will eat some of the best food you have ever tasted.

One of the oldest and most revered restaurants in the United States has opened its kitchens to delight readers with gourmet recipes. A joy to look at as well as to cook by. Illustrated.
