Mr. Scott R. Matkovich : APA Made Easy before purchasing it in order to gauge whether or not it would be worth my time, and all praised APA Made Easy:

4 of 4 people found the following review helpful. Nursing, psych, counseling, human service, and social science major's best friend.By stephanieI tutor at the local college. APA is required of my nursing and social science majors. I am suggesting the purchase of this guide to all my students. I am also suggesting this guide to the college for their writing labs, as all tutors are not created equally.17 of 18 people found the following review helpful. APA Made

EasyBy Teresa A. WolfeI have already been using this book and to me it is a great tool for those students who need to use the APA format.I am so happy that I got this little book for my own personal reference guide. I am an adult student and this book will be a life saver for me. It is small enough that I am able to put it into my folder and take to my classes. I always have it handy when I need it for my own reference. This is my first time using the APA format and this little book has a gold mine of information for us students needing to learn the format for our papers in school.Do I recommed this book? Absolutely! :)2 of 2 people found the following review helpful. Five StarsBy Cindy WaddleEasy and definitely a big help, cut out a lot of confusion and searching for answers on APA

"This book delivers. What a splendid, visual quickstart guide to APA formatting! Readers will benefit not only from the author's candid and concise advice on APA, but also from his sometimes witty and entertaining style. Thanks for making this such a quick, straightforward, and fun read!" ~ Dr. Todd D. VasquezFrom the AuthorQ A with the Scott Matkovich:
