Amine Bouchentouf : Arabic For Dummies before purchasing it in order to gage whether or not it would be worth my time, and all praised Arabic For Dummies:

1 of 1 people found the following review helpful. Helpful, but still overwhelming.By Kurt DeMancheGood start to learning the basics. As a total novice to the language it was still very overwhelming how quickly the book jumped into using complicated Arabic words. Over all very helpful as a touchpoint to use in educating myself, just intimidating to jump into.1 of 1 people found the following review helpful. Arabic transliteration is used here so it is understandable. ...By gardenerArabic transliteration is used here so it is understandable. All the books under the title 'Dummies' are well written.0 of 0 people found the following review helpful. A little more advanced than expected. There are other ...By Mel OstranderA little more advanced than expected. There are other books that lay out the Arabic language in an easier-to-understand format.

The fast and easy way to learn to speak Modern Standard Arabic Regarded as one of the most difficult languages to

learn for native English speakers, Arabic is gaining global prominence and importance. Recent world events have brought more and more English speakers into contact with Arabic-speaking populations, and governments and businesses are increasingly aware of the importance of basic Arabic language skills. Arabic For Dummies presents the language in the classic For Dummies style. Taking a straightforward and practical approach to this complex language, it's packed with practice dialogues and communication tips that will have you talking the talk in no time. The Arabic alphabet, pronunciation, basic grammar, and the rules of transliteration The history of the language and information on classical Arabic and its dialects focusing on Modern Standard Arabic How to make small talk and make yourself understood when dining, shopping, or traveling around town How to communicate on the phone and in business conversations Handy words and phrases for dealing with money, directions, hotels, transportation, and emergencies Arabic culture and etiquette, including ten things you should never do in Arabic countries Recognizing Arabic symbols and characters The book also includes an Arabic-English dictionary, verb tables, and an audio CD with dialogues from the book to help you perfect your pronunciation Written by a native Arabic speaker who helped start a year-round Arabic department at Middlebury College, Arabic For Dummies is just what you need to start making yourself understood in Arabic. CD-ROM and other supplementary materials are not included as part of the e-book file, but are available for download after purchase.
