Pamela Dell : Arachnids (My First Animal Kingdom Encyclopedias) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Arachnids (My First Animal Kingdom Encyclopedias):

Say hello to spiders, scorpions, mites, and ticks! Arachnids is a colorful photo-filled animal-science reference book for young readers and browsers. Not only will kids discover basic topics such as habitat, anatomy, and diet, but they'll also be treated to fun topics such as arachnids in mythology and art all written in a clear, concise way.

About the Author Pamela Dell began her professional career writing for adults and started writing for children about 12 years ago. Since then she has published fiction and nonfiction books, written numerous magazine articles, and created award-winning interactive multimedia.
