**Mitchell Schwarzer : Architecture + Design SF** before purchasing it in order to gage whether or not it would be worth my time, and all praised Architecture + Design SF:

6 of 6 people found the following review helpful. A Great Guide!By A Momentary VignetteA favorite city of many, the architecture of San Francisco and Bay area is revealed in this compact, yet high quality guide book. Each area of the city is organized into its historic districts, complete with beautiful sketches and all the information necessary to uncover some of this city's hidden gems. Especially suited for architects and history buffs, the guide provides a brief description of the city's landmark buildings including addresses, dates, and visitor information. Also accompanying the text are helpful maps and sketches of many of the featured sites.

A selective guide to the best-designed buildings, interiors, and public spaces in San Francisco and the Bay Area.

About the AuthorMitchell Schwarzer is Associate Professor of architectural history and theory at the California College of Arts and Crafts, San Francisco. He has written and lectured widely on American architecture and urbanism, German architecture, and other topics in art history. Most recently, he has published essays in ANY Magazine, Design Book Harvard Design Magazine. He received a Ph.D in architectural history from M.I.T. in 1991, and during the early 1980's was a Historic Preservation Planner for San Francisco's Department of City Planning. The author lives in Noe Valley, a block from the geographic center of San Francisco.
