**Steph Cartwright CPRW : Are You Ready?: How To Prepare For An Interview Get The Job** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Are You Ready?: How To Prepare For An Interview Get The Job:

Interview skills are derived from common sense. The spirit of this book is to share some common sense in an easy-to-

grasp format and challenge you to look at your background from a new perspective. Learn the secrets to conquering the phone interview, answering the most common interview questions, following up after your job interview, and much more. There is no reason why you cant conquer your next job interview and get the job with a little preparation and confidence.
