National Geographic Maps - Adventure : Argentina (National Geographic Adventure Map) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Argentina (National Geographic Adventure Map):

0 of 0 people found the following review helpful. but it had great intricate maps of Argentina that looked useful By Heather I didn't travel with it, but it had great intricate maps of Argentina that looked useful! 1 of 1 people found the following review helpful. good detailed info for its size By Greg outside good detailed info for its size. lots of small towns, lakes, and road # shown. medium large rivers are labeled. a has spot elevations but could use more. a very good reference map, and seems better than the European produced similar unit. 0 of 0 people found the following review helpful. I love these maps By JWI love these maps. This map folds well and is easy to read. I think it will last over time.

Waterproof Tear-Resistant Travel Map National Geographic's Adventure Map of Argentina is an invaluable tool for travelers seeking to explore the diverse landscapes, rich history, and stately architecture of South America's second largest nation. This expertly crafted map provides global travelers with the perfect combination of detail and perspective, highlighting hundreds of points of interest including archaeological sites, camping areas, museums, beaches, protected areas, World Heritage sites, and more. Cities and towns are clearly indicated and easy to find in the user-friendly index. A road network complete with distances and designations for highways, major routes, roads, unpaved tracks, and more will help you find the route that's right for you. The north side of the print map details the most highly populated areas of the country including the provinces of Buenos Aires, Córdoba, and Santa Fe, as well as the impressive landscape of the Cordillera de los Andes bordering Chile on the northwest. Vineyards in Mendoza, Argentina's world-renowned wine producing province are included, as are ski areas in this popular tourist region. An inset map shows the small province of Misiones that juts into the neighboring countries of Brazil and Paraguay. The south side of the map details Argentina's extensive coastline from Mar Del Plata to Tierra Del Fuego highlighting beaches, preserves, and areas noted for fishing and surfing. Every Adventure Map is printed on durable synthetic paper, making them waterproof, tear-resistant and tough capable of withstanding the rigors of international travel. Map Scale = 1:2,300,000 Sheet Size = 25.5" x 37.75" Folded Size = 4.25" x 9.25"

About the Author Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
