However, this book is not a HISTORY of ART book but a ART HISTORY. The book is a pocket version (well, it doesn't actually fit a pocket), see my picture. perfect for traveling and have a reference always with you 3 of 3 people found the following review helpful. Art: A beautiful, carry-around world history By Tiffany Y. Rondn Everyone that sees this books, wants it- is a great book, full color and glossy pages, very easy to carry around and is simply beautiful besides the great direct information that you need at the moment. It gives you a brief introduction per section, lots of beautiful images, biographies, timelines, etc. Great for humanities and art classes as well; any level. 1 of 1 people found the following review helpful. Five Stars By GEN Love this book great back stories about the artist and genre of art

This lavishly illustrated and super-condensed history of world art is the perfect gift for any art lover. A pocket-sized book bursting with 900 illustrations, it takes the reader from the beginnings of art in prehistory to the contemporary scene. Complete with concise introductions to art movements, time lines, capsule biographies of great artists, and

spreads that spotlight masterworks, it's a museum's worth of looking and learning that fits effortlessly into a purse or backpack.
