This is a handy tool to have but will not ... By Laura Baer This is a handy tool to have but will not replace textbooks or give you enough information necessary to pass a test. I did however find it helpful with definitions and a quick reference as a study aid. 0 of 0 people found the following review helpful. Five Stars By Customer Saved my grade in an art appreciation class!

Those who love art are guaranteed to further expand their knowledge of this form of expression when using this comprehensive 3-panel (6-page) guide, which examines in detail each type of art from printmaking to photography that

currently exists. Key definitions, historical periods and lists of well-known art pieces are included for easy access.
