Inc. BarCharts : Art History 1 (Quick Study: Academic) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Art History 1 (Quick Study: Academic):

0 of 0 people found the following review helpful. When I was studying as a math major this series of study guides were always useful for learning calculus and algebra formulas By technicraft I bought this study guide as a supplement for my daughter's college classes in design art. When I was studying as a math major this series of study guides were always useful for learning calculus and algebra formulas. I would recommend these to any student in any subject area! 0 of 0 people found the following review helpful. Very comprehensive Art History chart By Pat Carroll Very comprehensive review of early art history, and laminated! For all art and art history students and even those who just want to learn something new! 0 of 0 people found the following review helpful. Great material! By Reading Bee Great material! Thanks!

An extensive look at the early origins of art from prehistoric times all the way up to the 14th century can be found in this jam-packed, 3-panel QuickStudy guide. Different types of art, as well as descriptions of noteworthy art pieces and the time periods in which they were created, are covered in an easy-to-use format. A must-have guide for art novices and experts alike!
