The most complete and authoritative book on preventing and correcting health hazards of art and craft materials for students, professional artists, and craftspeople.

"A must for the artist/craftsperson."--Art Times"McCann's Artist Beware. . . is a book of awesome range, from solvent fumes to pastel dust, with much precautionary advice."--The Washington Post Book World"No book is more essential for an artist to possess than this one. His or her health, productivity, and perhaps even life may depend on being familiar with its contents . . . This is an important book."--Seattle Times/Seattle Post-Intelligencer
