The Associated Press : Associated Press Stylebook 2015 and Briefing on Media Law before purchasing it in order to gage whether or not it would be worth my time, and all praised Associated Press Stylebook 2015 and Briefing on Media Law:

5 of 5 people found the following review helpful. AP Stylebook Has Everything You Need to Understand and Use Newspaper StyleBy StopshereIf you do any freelance writing at all, or if you've just wondered what newspaper style is when you want to send newspapers a press release, then The Associated Press Stylebook gives you over 500 pages of information on AP style--which is what newspapers go by when they publish. This reference book covers everything,

in A-Z fashion, including numerical style, abbreviations, punctuation, capitalization, and more. It even tells you how to reference religions and churches, sports reports, fashion and foods. A quick briefing on media law is also included and very helpful. As a journalist who used to sort through press releases to decide which ones to use, I also know that this book could be immensely useful to clubs and social organizations--as well as public institutions such as colleges and schools-- because the closer your press release style is to AP style, the more likely that it will be used. I purchased this book at full price to do editing in my current job. 9 of 9 people found the following review helpful. This remains an excellent reference on syntax and usage. By lrvl This remains an excellent reference on syntax and usage. It is nice to have a paper copy to touch and reference. 2 of 2 people found the following review helpful. A must for journalism and news writing. By ysar I have to take off one star simply because this is AP, which is the mortal enemy of CMS, but since we use journalism writing rules at work, I needed this book in order to avoid my darling Oxford comma and adhere to news guidelines for writing. I'm actually pretty thrilled that this was available for Kindle. As much as I prefer hard copies for reference books, it's super handy to be able to pull this one up on my Kindle at work any time I need it. The formatting is great, and it's easy to find exactly what I need to know when I'm editing our newsletters and other publications. If you're reporting news in print or online, I have to recommend this book. AP rules have been a standard for the news industry for as long as I've been alive, and while I may disagree with some of the standard rules they've changed, I can understand the reasoning. AP style lends itself to clear, concise writing that's necessary for anything journalism-related, and having it at your fingertips on Kindle makes looking up the rules wonderfully easy.

The style of the Associated Press is the gold standard for news writing. With The AP Stylebook in hand, you can learn how to write and edit with the clarity and professionalism for which they are famous. Fully revised and updated, this new edition contains more than 3,000 A to Z entries including more than 200 new ones detailing the AP's rules on grammar, spelling, punctuation, capitalization, abbreviation, and word and numeral usage. You'll find answers to such wide-ranging questions as:

About the Author The Associated Press (www.ap.org) is a not-for profit news cooperative that delivers fast, unbiased news from every corner of the world. Founded in 1846, AP today is the largest and most trusted source of independent news and information. Distributed by satellite and the Internet to more than 120 nations, AP services daily reach more than one billion people. With headquarters in New York City, the AP has over 3,700 employees in more than 300 locations worldwide.
