From Association Of American University Press : Association of American University Presses Directory 2015 before purchasing it in order to gage whether or not it would be worth my time, and all praised Association of American University Presses Directory 2015:

This comprehensive directory offers detailed information on the publishing programs and personnel of the more than 130 member presses of the Association of American University Presses. Its many useful features include a convenient

subject guide indicating which presses publish in specific disciplines; separate entries for each member press that include complete addresses, telephone and fax numbers, and email addresses of key staffers within each press as well as details about their editorial programs; guidelines for submitting manuscripts; and information about AAUP corporate partners.

About the AuthorThe Association of American University Presseshas, for more than sixty years, worked to encourage the dissemination of scholarly research and ideas. Currently, the members of the AAUP annually publish more than 9,000 books and 700 periodicals.
