Five StarsBy EdVery Interesting

This book tells the story of the Irish past in graphic cartography, beautifully rendered and augmented by an authoritative text. It is an essential reference tool for any student of Irish history. This new edition covers recent momentous events such as the transformative boom and bust of the Republic's economy and the extraordinary course of developments in Northern Ireland that resulted in the power-sharing administration of the Democratic Unionist Party and Sinn Fein.

About the Author Dr Sean Duffy is Senior Lecturer in Medieval History in Trinity College, Dublin. He is the author of *A Concise History of Ireland*.
