Because the print is sooooo small I have to use a magnifying glass for some of the pages. 0 of 0 people found the following review helpful. Good but print is so tiny it's almost useless By Ziggy Fly Maps are good and detailed but in this size far too difficult to read because the print and graphics are way, way too tiny. I suspect this is just a shrunk down version of an atlas that would normally be published in a larger format. Cannot recommend unless you can find it with bigger type. 0 of 0 people found the following review helpful. Five Stars By
