be worth my time, and all praised Badlands National Park: South Dakota, USA Outdoor Recreation Map (National Geographic Maps: Trails I:

0 of 0 people found the following review helpful. hunting or anything where you need a good strong map to find specific sitesBy WJane24As expected and described. Detailed, helpful for hiking, hunting or anything where you need a good strong map to find specific sites.0 of 0 people found the following review helpful. Five StarsBy Ryan McMahonAs described.0 of 0 people found the following review helpful. Nice map,but.....By Nathan A JonesNice map and does what it's supposed to do. However, it doesn't use a standard scale so you can't use a military style protractor to locate specific coordinates. I'm sure most people don't care, but a few will.

Waterproof Tear-Resistant Topographic MapNational Geographics Trails Illustrated map of Badlands National Park is a comprehensive guide for outdoor enthusiasts looking to enjoy the countless outdoor adventures the park offers. Expertly researched and created in cooperation with the National Park Service, and others, the map covers the park including the Palmer Creek Area, Badlands Wilderness Area, Buffalo Gap National Grassland, and Pine Ridge Indian Reservation. An inset map of the Cedar Pass area provides additional detail of this most visited section of the park along with its seven hiking trails. Trail descriptions are also provided along with their distances.The the park's northern unit can be explored by following the Badlands Loop Road, which is shown along with its overlooks, parking and picnic areas, restrooms and other facilities. Explore the park's southern unit by following the mapped high-clearance and four-wheel-drive roads in the the backcountry. To aid in your navigation of the area, the map includes, contour lines with elevations, water features, selected waypoints and color-coded boundaries between park land, wilderness areas and Indian reservation land. Other pinpointed features include ranger stations, campgrounds and primitive campsites, and interpretive trails. Also included are a park overview, camping and hiking information, backcountry guidelines and regulations, and contact information. Every Trails Illustrated map is printed on "Backcountry Tough" waterproof, tear-resistant paper. A full UTM grid is printed on the map to aid with GPS navigation.Other features found on this map include: Badlands National Park, Cedar Butte.Map Scale = 1:55,000Sheet Size = 37.75" x 25.5"Folded Size = 4.25" x 9.25"

About the AuthorFounded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking.Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
