Jack Williams : Baja Boater's Guide: The Pacific Coast : The Definitive Guide for the Coastal Waters of Mexico's Baja California before purchasing it in order to gage whether or not it would be worth my time, and all praised Baja Boater's Guide: The Pacific Coast : The Definitive Guide for the Coastal Waters of Mexico's Baja California:

0 of 2 people found the following review helpful. It could have been really grate.By David SwansonIt never arrived, so I have no clue about that. But I have a clue about whether it is a waste to buy books online from strangers. I have also had a book dealer 2000 miles away go on a little speeding spree with my card once.

Book by Williams, Jack
