Sally Socolich : Bargain Hunting in the Bay Area (Bargain Hunting in the Bay Area, 13th ed.) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bargain Hunting in the Bay Area (Bargain Hunting in the Bay Area, 13th ed.):

2 of 2 people found the following review helpful. old bookBy S. Bertilacchi GreenFor some reason I must not have read the copyright date correctly, as I would not have purchased this book seeing that it was published nearly 9 years ago.However, there are still some good tips about bargain shopping that are helpful.10 of 12 people found the following review helpful. good resourceBy Shasta's DWhile I haven't used this book to shop until I drop, I have used it when I want to shop for something specific. It is organized by type of items sold but also has an index in the back that allows you to see what stores are in a certain location (by city). I like the latter because I found there was a store I used to go to elsewhere (out of my way) right around the corner from my office. I also use it to find other stores that are near a place I am already headed for.

Fads come and go, but shopping for bargains is never out of style. Millions of visitors come to the Bay Area every year, and millions more live here. It's safe to assume that all these people are doing a little bit of shopping-and probably spending more money then they need to. Luckily for Bay Area shoppers, Sally Socolich is back with an updated edition of her best-selling guide to the best bargains around, from San Francisco to Sonoma. Profiling more than 650 discount stores, warehouses, and factory outlets, Bargain Hunting in the Bay Area tells readers what to expect in the way of service, selection, and savings. Listings by category - from clothing and cookware to watches and wall-paper - are cross-referenced in handy indexes by store name, location, and type of merchandise. This comprehensive, practical guide should be in the hands of every Bay Area shopper - because there's no excuse for paying full price.

.com Fashion fads come and go, but shopping for bargains is always in style. Millions of visitors come to California's Bay Area yearly, and millions more live there. It's a sure thing that a little bit of shopping takes place, and more money gets spent than is necessary. For those who care about getting their money's worth, Sally Socolich's Bargain Hunting in the Bay Area is a godsend. From San Francisco to Sonoma, she profiles more than 700 stores, describing what to expect in way of service, selection, and savings. Listed by category and cross-referenced in handy indexes by store name, geography, and subject, Socolich has done every Bay Area shopper an enormous favor with her comprehensive, practical information and pleasant style. The definitive guide SunsetAbout the Author Sally Socolich is a columnist for the San Francisco Chronicle. She lives in Moraga, California.
