By Randy Metzger
I was so excited when I ordered it; however, it is extremely outdated. Total waste of money. Use the Internet instead.

By Paulette Cooper Noble
This is the brand new guide to all Palm Beach and Broward Counties consignment, thrift vintage shop clothing for women, men and children's clothes, accessories, jewelry, etc. But there's lots of other bargain buys in this book such as furniture, antiques, home decor, and more. There's no other guide like this and it's an easy and fun read with interesting additional information, like how to tell if a designer handbag is real, what are the most upscale shops? What street has the most consignment, thrift, home decor shops. There are three earlier editions of this book but throw them away because so many shops have closed and there are so many wonderful new ones in this book. Also, there's lots of information you won't find on the Internet, which is so incomplete and inaccurate. Any bargain (especially consignment or thrift) shopper must have this. Includes maps and special shopping tours.

By Sharon Geltner
The author, a long-time resident of Palm Beach, knows her stuff. Cooper Noble provides lots of good tips on getting quality goods at the best possible, even bargain prices. She is definitely writing from personal experience and in great detail. The author's reference guide, led me to a locked glass case on the second floor of a rickety staircase, at the top of a dark, rather shabby store (in a great restaurant district.) And that is where I found an affordable, beautiful pink quartz necklace, with matching bracelet and earrings. If I hadn't read this book, all I would have seen was the Starbucks on the ground floor and passed right on by. The facade was not fashionable or impressive. The entrance wasn't obvious. This is the sort of book that will help you explore previously unknown shopping spots and discover your own treasures, at reasonable prices. Worth the cost of the book!

The only book to tell you where all the best resales -- consignment, vintage thrift -- are in Boca Raton, Palm Beach, Delray Beach, Lake Worth, Palm Beach Gardens and other Palm Beach County towns including some in Broward County Miami. In addition to home furnishings women's clothing accessories, special sections describe antique shops (on Antique Row Northwood), rock bottom thrift shops, men children's consignment clothing shops, where to buy resale furs, bridal gowns, and more. Includes do-it-yourself tours and information on the shops including hours, sales, nearby shops, and more.

From the Author
This is the LATEST edition of "Bargain Shopping...." with many new shops, changed addresses, and old shops removed. It's the 2017-2018 edition so if you have the earlier ones, it's badly outdated and you need this one.
